Service Terms & Conditions

GENERAL TERMS:

This reservation confirmation is only an estimate. Final charges will be based on actual time of service rounded up by 15 minutes increment. Actual time of service includes the additional time the chauffeur will need to inspect the vehicle for items left behind after the final drop off. The customer will be responsible for the cost of returning any item left behind to its rightful owner, if passengers depart before the vehicle sweep is completed. All reservations are billed garage-to-garage: the customer is billed from the time the car leaves our garage until the time the car returns to the garage. A full trip charge will apply if the passengers fail to contact our office if they are unable to locate their chauffeur. The

customer will be responsible for any damage caused by any passenger or any pet NOT in a crate above and beyond the pet fee. The DTS Group reserves the right to substitute any vehicle requested with same size or higher capacity vehicles at no additional charge and without notice if the requested vehicle type is not available. A Suggested Tip has been added for your convenience. The payment of this Suggested Tip is subject to your complete discretion and may be increased, decreased, or eliminated entirely. All Tips received are remitted in full to the chauffeur. The DTS Group and the chauffeur reserve the right to terminate a trip for unruly, threatening, or unsafe behavior by passengers at any time.

DTS Transportation and carriers are not liable for delays or undelivered messages. Message and data rates may apply based on your mobile carrier's terms. DTS Transportation is not responsible for any charges associated with SMS messaging.

You can opt out of receiving SMS messages at any time by replying STOP to any message we send you. After you opt out of text messaging, you will receive one additional message confirming your request has been processed.

For questions about our SMS program or privacy practices, please contact DTS Transportation by phone at 301-476-8490 or by email at customerservice@thedtsgroup.com.

HOURLY MINIMUMS:

Hourly minimums for hourly-as-directed or wait-and-return reservations depend on the vehicle type, the day of the week, and the special event policy in effect. Confirm the hourly minimum applicable to your reservation with our customer service agent. All hourly reservations are billed for the total number of hours reserved by the customer, even if the actual time used is less than the reserved number of hours.

GUARANTEED RATES:

The base rate for your reservation is guaranteed for up to 12 months. However, all incidental charges such as fuel surcharge, credit card processing fees, Standard Transportation Charge (STC), airport fees, and taxes are subject to change as necessary any time and without notice until the scheduled service is provided.

SERVICE FAILURES:

The DTS Group is not responsible for deviations or service failures caused by accidents, road closures, breakdowns, inclement weather, traffic, acts of God, terrorism, civil unrest, or any other conditions beyond our control. DELAYED OR CANCELLED FLIGHTS:

The DTS Group tracks all inbound commercial flights and will know if your flight is delayed or cancelled. If your flight is cancelled, we will cancel the reservation. The customer must contact our office with the new flight information, and we will exact our best effort to rebook or to reschedule that reservation without detriment to other reserved clients. For private flights, the reservation will turn into hourly/As directed if flight is delayed. If a private flight is cancelled after the free cancellation window ends, the reservation will be billed as booked unless there is a justifiable cause outside the customer's control such as weather, strike, travel advisory, acts of God, terrorism, civil unrest, etc....

OTHER FLIGHT ISSUES:

The DTS Group is not responsible for passenger flights that are missed, diverted, or any other incident that results in failure to comply with the Cancellation Policy. We will exact our best effort to fulfill client needs in these instances subject to wait time fees or late cancellations and re-bookings without detriment to other reserved clients. The passenger is responsible for notifying The DTS Group if he/she misses his/her flight. If the passenger fails to notify The DTS Group and is a "No show", that customer will be responsible for the total cost of the reservation. The DTS Group reserves the right to bill hourly for any airport pick-up if the passengers are scheduled to arrive on board different flights.
